### San Gabriel Valley 500 Club

The San Gabriel Valley 500 club, formed in 1966 is a non-profit women's bowling organization that boasts lady bowlers from all around the San Gabriel Valley. We support and sponsor many charity events throughout the year such as bowling and golf tournaments and a casino night. All proceeds are donated to charity organizations. We take pride in the ability to give back to the community.

Ettie Lee Youth & Family Services is a non-profit agency that serves the complex needs of vulnerable youth with emotional and behavioral problems. Since 1950 they have expanded as necessary in response to the increasing number of troubled youths in need. Last year they served 335 boys and girls and their families.
