Ettie Lee Youth & Family Services E-News July 2011

Welcome Kits

Children who enter foster care are usually removed from their homes (or school, doctor's office or hospital) with little notice. They leave with only the clothes they are wearing. These children are frightened and confused. At that moment, they have lost everything that is familiar. At Ettie Lee, our goal is to place each child in a family-like environment that establishes safety and security. A part of this is to provide each child with items that are just for them. We are calling them Welcome Kits and they will contain the items listed in these pictures. Please help. [Donate Now](#).
